Woman's Club

Volunteer of the Quarter

Fall Quarter - September, October, November 2020

This certificate of appreciation is awarded to

Caryn Blanton

Cheers to our Fall Volunteer of the Quarter, Mrs. Caryn Blanton. Although new to the club, Caryn is not new to volunteering and serving the community. "Advocate" should be Caryn's middle name! In fact, you may have worked with her or have seen her involved in Shoreline Community Services and Pacific Beach Street Guardians. Caryn believes in releasing love and hope into the world as her legacy. She describes herself as being "eternally optimistic" about stopping the cycle of homelessness in the Pacific Beach area.

Brian White, president of Pacific Beach Town Council, shared, "Caryn is a beacon of light for our neighborhood, as a leader who finds innovative ways to help PB's most marginalized. It's inspiring to watch someone have that kind of impact. She's consistent, she's persistent, and she's a fighter." We could not have said it better. We are honored to have Caryn as a member of the PBWC!
